

Cost and Enrolment Details

SWIM CLASSES

We operate on a maximum of three (3) children per learn to swim class with only one (1) swim class in the pool at a time. With the observation area separate to the pool deck your child will benefit with more attention and a private, less distracting learn to swim environment.

PAYMENT DETAILS FOR SWIMMING LESSONS

Before your child can commence swimming lessons there is a booking fee of \$13.50 per child. This is a one off payment, payable once your child is placed in the swim school program.

The cost of the swimming lesson is \$13.50 and the swim school fees are paid monthly. The fees are due on the first week of every month. Payment of the fees secures a permanent swimming lesson class time.

Families who have three or more children enrolled in swimming lessons in the swim school simultaneously will be entitled to a discounted rate.

SWIMMING LESSON MAKE UP SYSTEM

If you miss a swimming lesson your child will be entitled to a make up swimming lesson as long as prior notice is given (before 9.00 am on the day of your child's lesson) that your child will not be attending their swimming lesson.
